

23 Morris Street Birmingham Gardens NSW

5 3 4

This is a five bedroom, three bathroom home located in the investor hub of Newcastle University. These properties are popular with students who like to have stable accommodation during their degree term, including this property that is furnished and fully tenanted.

Recent improvements to this home include updated kitchen, bathroom, ensuite addition & laundry/bathroom giving tenants a comfortably serviceable environment well suited to share accommodation.

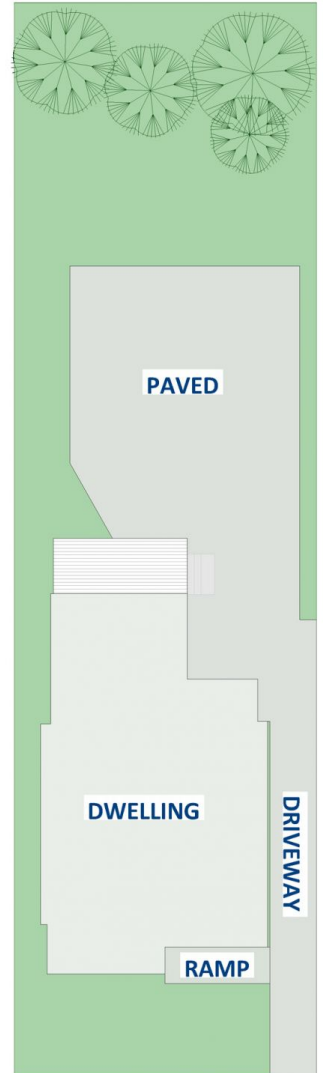

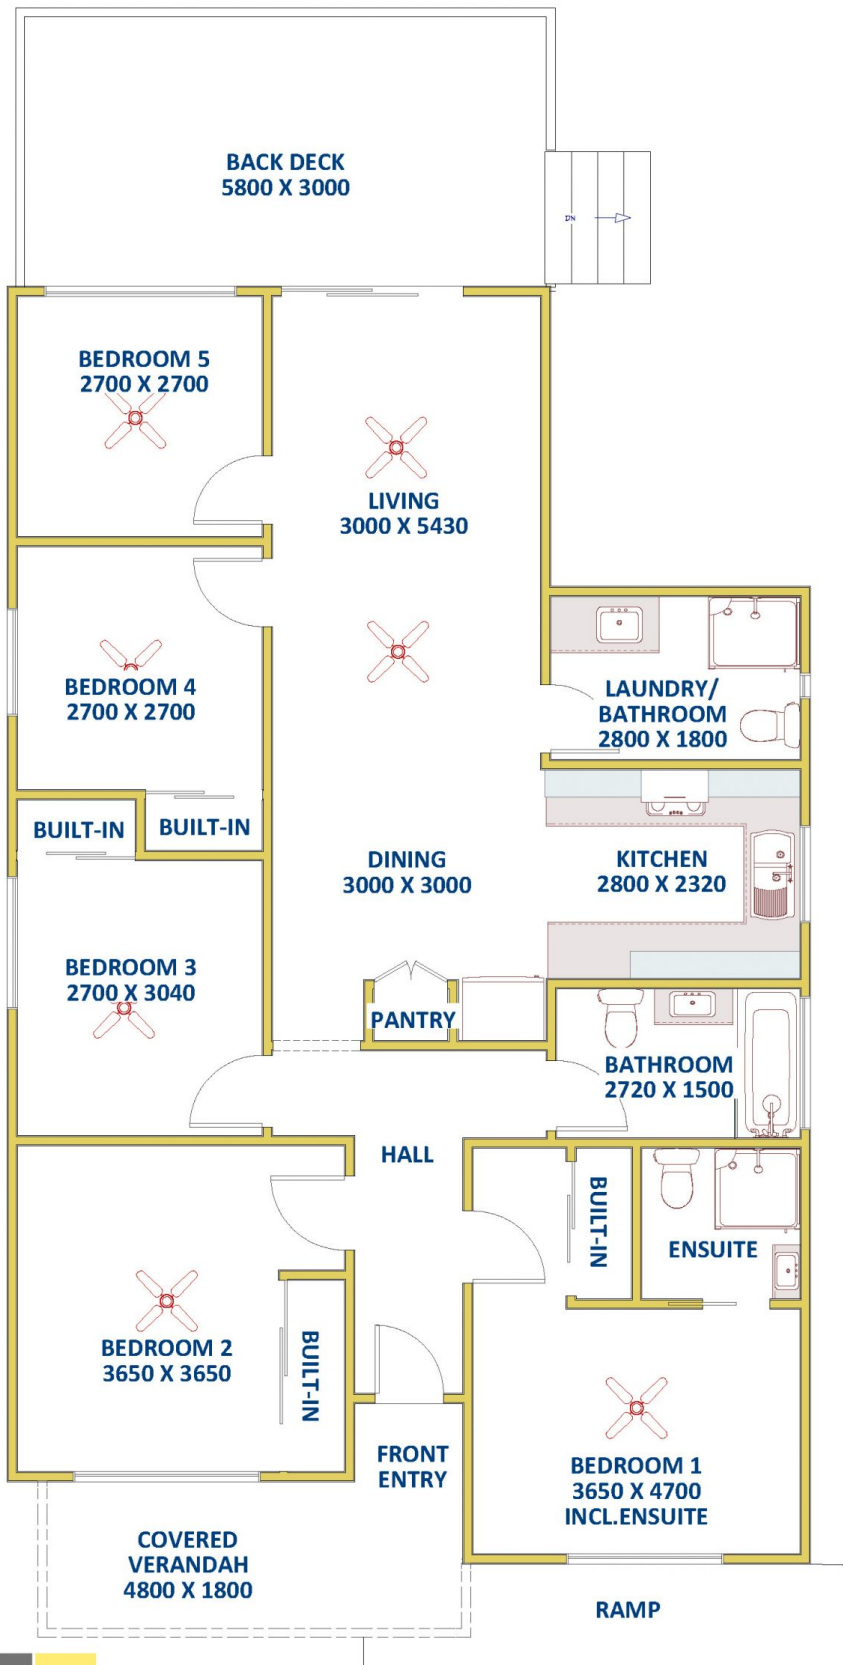

The galley kitchen offers modern appliances plus ample cupboard and bench space. Combined living and dining with ceiling fans features glass sliding doors opening to a large 6 meter back deck.
